## Introduction

We like to introduce us as a consultant, manufacturer & supplier of kitchen equipments. We are proud to be the leading manufacturers and suppliers of premium kitchen equipments and general fabrication; we offer services for the hospitality, commercial, institutional and industrial markets.

Founded in 1997, at the dawn of an age in which the restaurant and hotel industries would flourish like never before. Over the years, we expanded our horizons to serve hotels, food and beverage plants, restaurants, clubs, corporate office cafeterias, and beyond.

In India, we currently circle our customers with value-added kitchen equipments, canteen equipments and turnkey solutions through our Mumbai operations. Our business is dedicated to providing our customers with the highest-quality, most highly effective products, systems and services.

We have a proud client base, which consists of corporate giants like K.Raheja, Mastek, E-Funds, Lionbridge, DLF, Satyam and Travelex etc. Our projects consist of giving end-to-end solutions i.e. from designing and manufacturing customized kitchen equipments and accessories and undertaking turnkey projects of kitchen and canteen development.

Our exquisite kitchen equipments have always satisfied the chefs with a smile on their face. Spacious Canteens and Cafeterias developed by us have always given a special feel to our valued corporate clients.

With a cohesive strategy, unique culture and common mission, we demonstrate that excellence, integrity and commitment can - and should - go along with success and growth.
